Aurora Quick Care: An Alternative to your Doctor's Office

Diversified Insurance Services

In 15 minutes and \$39, Aurora Quick Care provides an easy and convenient way to get common family medical conditions diagnosed and treated. Quick Care facilities are located in your neighborhood Aurora Pharmacy and other convenient locations. Quick Care centers offer tests that can diagnose: strep throat, ear infection, sinus infection, pink eye, mononucleosis, urinary tract infection, pregnancy, seasonal allergies, poison ivy, insect sting or swimmer's ear. No appointment is necessary and there are no insurance forms to fill out.. Aurora Quick Care is staff by certified nurse practitioners who are supported by on-call emergency room physicians.
