(262) 242-3450

Mequon—11270 N. Pt. Wash. Rd
(262) 241-5147

***New Locations**

The clinics are staffed by family nurse practitioners who treat patients 18 months and older for common illnesses (e.g. strep throat, ear, sinus and bladder infections, pink eye, poison ivy, etc.). The nurses also collaborate with local physicians for consultation. Additionally, they are licensed to write prescriptions for ailments they treat.

The clinics' hours of operation are Monday through Friday 8AM to 7:30PM / Saturday & Sunday 9:30AM to 5PM, and no appointments are necessary.

The clinics accept many commercial insurance plans as well as Medicare (you would want to check with these clinics directly to see if your health insurance is accepted). However, you can also obtain services without health insurance. Costs will range from approximately \$59-\$74.

Remember Diversified Insurance Services is ready to assist you with any questions you may have. They can be reached at (262) 574-0440 / (800) 644-0477 toll-free.

Beyond Insurance
