Beyond Insurance

LIFE SCIENCES

Beyond Tomorrow

The Life Sciences Industry places your business front and center on the road to tomorrow. The rewards in your field are great yet along with those rewards come even greater risks. Count on Diversified Insurance Services for a customized, comprehensive portfolio of property and third-party liability products that will protect your company from the financial devastation of a loss or lawsuit.

Beyond Risk Reduction

Managing risk is crucial to keeping your business productive. We carefully study your unique operation and, working as a trusted consultant, take pride crafting superior risk management solutions that address your unique needs and exposures.

Our experienced professionals serve companies in every facet of the Life Science industries, from pharmaceutical and supplement manufacturers to software design... electronics manufacturing to Research & Development. Your industry is highly complex, but our protection pledge is simple—no detail is left unaddressed, from patent rules, regulations compliance and clinical trials to former employees, product liability and more. Our specialized coverages include:

- *GENERAL AND PRODUCT LIABILITY*
- *PROPERTY AND BUSINESS INTERRUPTION*
- *CONTAMINATION CONTRACTS FOR PROPERTY*
- *WORKERS COMPENSATION*
- *ERRORS & OMISSIONS/ PROFESSIONAL LIABILITY*
- *PRODUCT WITHDRAWAL*
- *CRISIS MANAGEMENT*
- *CYBER/TECHNOLOGY LIABILITY*
- *NETWORK SECURITY LIABILITY*
- *COMMUNICATIONS AND MEDIA LIABILITY*
- *UMBRELLA & EXCESS LIABILITY*
- *COMMERCIAL AUTOMOBILE*
- *GLOBAL PROTECTION*
- *PRODUCT RECALL*
- *KEY PERSON LIFE & DISABILITY*
